

## Author's Accepted Manuscript

Influence of surface roughness on the shear strength of direct injection molded plastic-aluminum hybrid-parts

Benedict Bonpain, Markus Stommel

PII: S0143-7496(18)30025-3  
DOI: <https://doi.org/10.1016/j.ijadhadh.2018.02.003>  
Reference: JAAD2128

To appear in: *International Journal of Adhesion and Adhesives*

Received date: 11 September 2017  
Accepted date: 29 January 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

# Influence of surface roughness on the shear strength of direct injection molded plastic-aluminum hybrid-parts
