

Author's Accepted Manuscript

Vancomycin elution, activity and impact on mechanical properties when added to orthopedic bone cement

Aaron R. Bishop, Sunjung Kim, Matthew W. Squire, Warren E. Rose, Heidi-Lynn Ploeg

PII: S1751-6161(18)30459-4
DOI: <https://doi.org/10.1016/j.jmbbm.2018.06.033>
Reference: JMBBM2854

To appear in: *Journal of the Mechanical Behavior of Biomedical Materials*

Received date: 9 April 2018
Revised date: 22 June 2018
Accepted date: 25 June 2018
