

## Author's Accepted Manuscript

The Elastic Modulus and Collagen of Sclera Increase During the Early Growth Process

Congcong Wang, Yongfang Xie, Guohui Wang

PII: S1751-6161(17)30452-6  
DOI: <https://doi.org/10.1016/j.jmbbm.2017.10.024>  
Reference: JMBBM2544

To appear in: *Journal of the Mechanical Behavior of Biomedical Materials*

Received date: 31 October 2016  
Revised date: 12 October 2017  
Accepted date: 16 October 2017
