Anja Feierabend, PhD
University of Zurich

Acknowledgments. Thank you to Professor Dr. Laurenz Meier and Dr. Dana Unger for their helpful comments on an earlier version of this manuscript, as well as our editor and 2 anonymous reviewers. This paper is part of the first author's dissertation, which was completed at the chair of Professor Bruno Staffelbach. Finally, second author Xinxin Li (xinxin.li@u.nus.edu) may also be contacted regarding this manuscript.

Funding. This collaboration was supported by the Swiss National Science Foundation (P1ZHP1_158839) with a grant awarded to the first author and this data collection was supported by a University of Zurich Gender Equality Grant from the Federal Programme for Equal Opportunities (Action Plan 2013-2016); however, the funders had no role in study design, data collection and analysis, decision to publish, or preparation of the manuscript.

Competing interests. The authors have declared that no competing interests exist.
