

Accepted Manuscript

Integrating visual trajectory and probabilistic information in baseball batting

Rob Gray, Rouwen Cañal-Bruland

PII: S1469-0292(17)30677-5

DOI: [10.1016/j.psychsport.2018.02.009](https://doi.org/10.1016/j.psychsport.2018.02.009)

Reference: PSYSPO 1331

To appear in: *Psychology of Sport & Exercise*

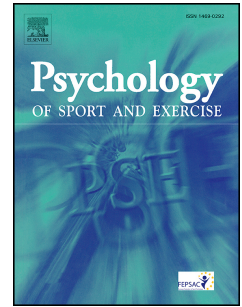

Received Date: 9 October 2017

Revised Date: 15 January 2018

Accepted Date: 17 February 2018

Please cite this article as: Gray, R., Cañal-Bruland, R., Integrating visual trajectory and probabilistic information in baseball batting, *Psychology of Sport & Exercise* (2018), doi: 10.1016/j.psychsport.2018.02.009.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Running Head: Perceptual and probabilistic information

Integrating visual trajectory and probabilistic information in baseball batting
