This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Modifying Mental Health Help-Seeking Stigma Among Undergraduates with Untreated  
Psychiatric Disorders: A Pilot Randomized Trial of a Novel Cognitive Bias Modification

Intervention

Ian H. Stanley, M.S.

Melanie A. Hom, M.S.

Thomas E. Joiner, Ph.D.

Florida State University

Author Note

Ian H. Stanley, Melanie A. Hom, Thomas E. Joiner, Department of Psychology, Florida State University.

This work was primarily supported by the Violet and Cyril Franks Scholarship from the American Psychological Foundation (APF). This work was also supported in part by the Military Suicide Research Consortium (MSRC), an effort supported by the Office of the Assistant Secretary of Defense for Health Affairs under Award Nos. (W81XWH-10-2-0181, W81XWH-16-2-0003). Opinions, interpretations, conclusions and recommendations are those of the authors and are not necessarily endorsed by the MSRC, the Department of Defense, or the APF. The authors acknowledge the assistance of the following research assistants who were instrumental to the success of this study: Kirsten Christensen, Michelle Sanabria, and Berose Prosper. Ian H. Stanley and Melanie A. Hom contributed equally to this manuscript.
