Similarities and differences between families who have frequent and infrequent family meals: A qualitative investigation of low-income and minority households

Jerica M. Berge, Michelle Draxten, Amanda Trofholz, Carrie Hanson-Bradley, Kathryn Justesen, Andrew Slattengren

PII: S1471-0153(17)30376-8
DOI: doi:[10.1016/j.eatbeh.2018.02.007](https://doi.org/10.1016/j.eatbeh.2018.02.007)
Reference: EATBEH 1207
To appear in: *Eating Behaviors*
Received date: 1 October 2017
Revised date: 7 February 2018
Accepted date: 20 February 2018

Please cite this article as: Jerica M. Berge, Michelle Draxten, Amanda Trofholz, Carrie Hanson-Bradley, Kathryn Justesen, Andrew Slattengren , Similarities and differences between families who have frequent and infrequent family meals: A qualitative investigation of low-income and minority households. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. *Eatbeh*(2017), doi:[10.1016/j.eatbeh.2018.02.007](https://doi.org/10.1016/j.eatbeh.2018.02.007)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Similarities and Differences between Families who have Frequent and Infrequent Family Meals: A Qualitative Investigation of Low-income and Minority Households
