Bone morphogenetic proteins in multiple sclerosis: role in neuroinflammation

Herena Eixarch, Laura Calvo-Barreiro, Xavier Montalban, Carmen Espejo

PII: S0889-1591(17)30061-2

DOI: <http://dx.doi.org/10.1016/j.bbi.2017.02.019>

Reference: YBRBI 3100

To appear in: *Brain, Behavior, and Immunity*

Received Date: 13 December 2016

Revised Date: 24 February 2017

Accepted Date: 24 February 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Bone morphogenetic proteins in multiple sclerosis: role in neuroinflammation
