The BBI at the BBI – a culture change

Ian Galea, V. Hugh Perry

PII: S0889-1591(17)30470-1
DOI: <https://doi.org/10.1016/j.bbi.2017.10.014>
Reference: YBRBI 3258

To appear in: *Brain, Behavior, and Immunity*

Received Date: 15 October 2017
Accepted Date: 17 October 2017

Please cite this article as: Galea, I., Hugh Perry, V., The BBI at the BBI – a culture change, *Brain, Behavior, and Immunity* (2017), doi: <https://doi.org/10.1016/j.bbi.2017.10.014>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

The BBI at the BBI – a culture change

or

The blood-brain interface: a culture change
