This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Short Title:** PBMCs in depression and sleep quality

**Altered Populations of Natural Killer Cells, Cytotoxic T Lymphocytes, and  
Regulatory T Cells in Major Depressive Disorder: Association with Sleep  
Disturbance**
