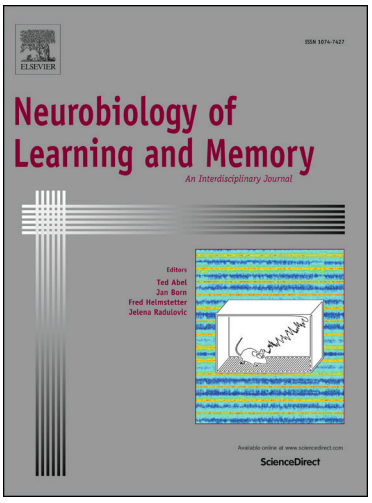
Accepted Manuscript



Non-accidental properties, metric invariance, and encoding by neurons in a model of ventral stream visual object recognition, VisNet

Edmund T. Rolls, W. Patrick C. Mills

PII: S1074-7427(18)30102-3
DOI: https://doi.org/10.1016/j.nlm.2018.04.017
Reference: YNLME 6862

To appear in: *Neurobiology of Learning and Memory*

Received Date: 28 February 2018
Revised Date: 2 April 2018
Accepted Date: 27 April 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
