

## Accepted Manuscript

Title: The habenula in psychiatric disorders: more than three decades of translational investigation

Author: Marc Fakhoury

PII: S0149-7634(16)30654-6  
DOI: <http://dx.doi.org/doi:10.1016/j.neubiorev.2017.02.010>  
Reference: NBR 2775

To appear in:

Received date: 19-10-2016  
Revised date: 11-1-2017  
Accepted date: 9-2-2017

Please cite this article as: Fakhoury, Marc, The habenula in psychiatric disorders: more than three decades of translational investigation. *Neuroscience and Biobehavioral Reviews* <http://dx.doi.org/10.1016/j.neubiorev.2017.02.010>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Title:** The habenula in psychiatric disorders: more than three decades of translational investigation
