Title: Social dysfunction after pediatric traumatic brain injury:
a translational perspective

Author: Nicholas P. Ryan Cathy Catroppa Celia Godfrey
Linda J. Noble-Haeusslein Sandy R. Shultz O'Brien Terence
J. Vicki Anderson Semple Bridgette D.

PII: S0149-7634(16)30015-X
DOI: <http://dx.doi.org/doi:10.1016/j.neubiorev.2016.02.020>
Reference: NBR 2365

To appear in:

Received date: 10-1-2016
Revised date: 24-2-2016
Accepted date: 24-2-2016

Please cite this article as: Ryan, Nicholas P., Catroppa, Cathy, Godfrey, Celia, Noble-Haeusslein, Linda J., Shultz, Sandy R., O'Brien, Terence J., Anderson, Vicki, Semple, Bridgette D., Social dysfunction after pediatric traumatic brain injury: a translational perspective. *Neuroscience and Biobehavioral Reviews* <http://dx.doi.org/10.1016/j.neubiorev.2016.02.020>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Social dysfunction after pediatric traumatic brain injury: a translational perspective
