

Accepted Manuscript

Title: Cognitive mechanisms for responding to mimicry from others

Author: Joanna Hale Antonia F. de C. Hamilton

PII: S0149-7634(15)30242-6
DOI: <http://dx.doi.org/doi:10.1016/j.neubiorev.2016.02.006>
Reference: NBR 2351

To appear in:

Received date: 20-10-2015
Revised date: 4-1-2016
Accepted date: 8-2-2016

Please cite this article as: Hale, Joanna, de C.Hamilton, Antonia F., Cognitive mechanisms for responding to mimicry from others. *Neuroscience and Biobehavioral Reviews* <http://dx.doi.org/10.1016/j.neubiorev.2016.02.006>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Cognitive mechanisms for responding to mimicry from others

Joanna Hale and Antonia F. de C. Hamilton

University College London
