Anthony Sclafani: Consummate scientist

Joseph R. Vasselli, Gerard P. Smith

PII: S0195-6663(16)30959-X

DOI: [10.1016/j.appet.2016.12.024](https://doi.org/10.1016/j.appet.2016.12.024)

Reference: APPET 3269

To appear in: *Appetite*

Received Date: 20 October 2016

Accepted Date: 18 December 2016

Please cite this article as: Vasselli J.R. & Smith G.P., Anthony Sclafani: Consummate scientist, *Appetite* (2017), doi: 10.1016/j.appet.2016.12.024.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
