### **Accepted Manuscript**

Memory-guided reaching in a patient with visual hemiagnosia

Sonja Cornelsen, Johannes Rennig, Marc Himmelbach

PII: S0010-9452(16)30048-X

DOI: 10.1016/j.cortex.2016.03.010

Reference: CORTEX 1705

To appear in: Cortex

Received Date: 25 June 2015

Revised Date: 15 January 2016

Accepted Date: 8 March 2016

Please cite this article as: Cornelsen S, Rennig J, Himmelbach M, Memory-guided reaching in a patient with visual hemiagnosia, *CORTEX* (2016), doi: 10.1016/j.cortex.2016.03.010.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
