This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Cultural differences in preferences for facial coloration

Chengyang Han^a, Hongyi Wang^a, Amanda C. Hahn^{a,b}, Claire I. Fisher^a, Michal Kandrik^a, Vanessa Fasolt^a, Danielle K. Morrison^a, Anthony J. Lee^a, Iris J. Holzleitner^a, Lisa M. DeBruine^a, and Benedict C. Jones^a

a. Institute of Neuroscience and Psychology, University of Glasgow, Glasgow, Scotland, United Kingdom.

b. Amanda C. Hahn is now at Department of Psychology, Humboldt State University, Arcate, CA, United States.

This research was supported by European Research Council Grants to BCJ (OCMATE) and LMD (KINSHIP). We thank Rachael Jack for helpful comments and discussion.
