Running Title:

Social gesture processing & personality

Number of pages: 25

Number of figures: 2

Number of tables: 1

Number of words for Abstract: 164

Total number of words (excluding references, tables and figure legends): 4413

Conflict of Interest:

The authors declare no competing financial interests.

Acknowledgements:

This work was supported by NIH grants MH050047, MH064078, MH019908 and HD049653 to A.L.R., by the NIH K99-MH104605 grant to M.S., and a fellowship for advanced researchers (nr 136480) from the Swiss National Science Foundation to P.V. The authors thank the staff at the Center for Interdisciplinary Brain Sciences Research and the Richard M. Lucas Center for Imaging at Stanford for their support and guidance.
