Acknowledgements:

We would like to thank the European Union for its funding and support for the context analysis. REACHOUT has received funding from the European Union Seventh Framework Programme ([FP7/2007-2013] [FP7/2007-2011]) under grant agreement no. 306090. This document reflects only the authors' views, and the European Union is not liable for any use that may be made of the information contained herein. We would like to thank all the participants that shared their experiences in the REACHOUT qualitative data collection and those who gave ideas and inputs through their contributions to a webinar on this topic on 10th February 2016 hosted by Health Systems Global (special thanks to: Asha George, Hana Rabadi, Amuda Baba, Polly Walker). Many thanks to Ireen Namakhoma and Korrie de Koning for their contributions to the context analyses and to Malabika Sarker and Hilary Standing commenting on the draft manuscript.
