Acknowledgments

We are first and foremost grateful to our informants for taking the time to explain their experiences during the EVD outbreak. We thank Almudena Marí Sáez (Robert Koch Institut, Berlin, Germany), Alain Epelboin (CNRS, Muséum national d'Histoire naturelle, Paris, France), Julien Gavelle (CASOA/ATR AFRIQUE, Bamako, Mali) and the staff of Mercy Hospital Research Laboratory (Bo, Sierra Leone) for their valuable advice and support during fieldwork.
