“We black women have to kill a lion everyday”: An intersectional analysis of racism and social determinants of health in Brazil

Vijaya K. Hogan, Edna M. de Araujo, Kia L. Caldwell, Sarah N. Gonzalez-Nahm, Kristin Z. Black

PII: S0277-9536(17)30441-0

DOI: [10.1016/j.socscimed.2017.07.008](https://doi.org/10.1016/j.socscimed.2017.07.008)

Reference: SSM 11318

To appear in: *Social Science & Medicine*

Received Date: 21 October 2016

Revised Date: 7 July 2017

Accepted Date: 12 July 2017

Please cite this article as: Hogan, V.K., de Araujo, E.M., Caldwell, K.L., Gonzalez-Nahm, S.N., Black, K.Z., “We black women have to kill a lion everyday”: An intersectional analysis of racism and social determinants of health in Brazil, *Social Science & Medicine* (2017), doi: 10.1016/j.socscimed.2017.07.008.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
