“That wasn't really a place to worry about diabetes”: Housing access and diabetes self-management among low-income adults

Danya E. Keene, Monica Guo, Sascha Murillo

PII: S0277-9536(17)30724-4

DOI: [10.1016/j.socscimed.2017.11.051](https://doi.org/10.1016/j.socscimed.2017.11.051)

Reference: SSM 11525

To appear in: *Social Science & Medicine*

Received Date: 21 July 2017

Revised Date: 21 September 2017

Accepted Date: 27 November 2017

Please cite this article as: Keene, D.E., Guo, M., Murillo, S., “That wasn't really a place to worry about diabetes”: Housing access and diabetes self-management among low-income adults, *Social Science & Medicine* (2017), doi: 10.1016/j.socscimed.2017.11.051.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

“That wasn’t really a place to worry about diabetes”: housing access and diabetes self-management among low-income adults

Danya E. Keene, Yale School of Public Health  
Monica Guo, Yale School of Public Health  
Sascha Murillo, Yale School of Medicine
