Risk is for the rich? childhood vaccination resistance and a Culture of Health

Mabel Berezin, Alicia Eads

PII: S0277-9536(16)30363-X

DOI: [10.1016/j.socscimed.2016.07.009](https://doi.org/10.1016/j.socscimed.2016.07.009)

Reference: SSM 10737

To appear in: *Social Science & Medicine*

Received Date: 27 August 2015

Revised Date: 28 June 2016

Accepted Date: 11 July 2016

Please cite this article as: Berezin, M., Eads, A., Risk is for the rich? childhood vaccination resistance and a Culture of Health, *Social Science & Medicine* (2016), doi: 10.1016/j.socscimed.2016.07.009.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Risk is for the Rich? Childhood Vaccination Resistance and a Culture of Health

Mabel Berezin and Alicia Eads

Department of Sociology

Cornell University

The authors wish to acknowledge the support of the Robert Wood Johnson Foundation. We thank Michele Lamont and Paul Lichterman for their careful reading of a first version of the paper and we thank Michele Lamont and Bart Bonikowski, as well as the members of the Culture and Social Analysis Workshop at Harvard University for their helpful feedback. We also wish to thank Fedor Dokshin for designing the maps used in the article. In addition, we acknowledge the helpful comments of reviewers.
