

# Accepted Manuscript

Cross-border Ties and Arab American Mental Health

Goleen Samari

PII: S0277-9536(16)30114-9

DOI: [10.1016/j.socscimed.2016.03.014](https://doi.org/10.1016/j.socscimed.2016.03.014)

Reference: SSM 10560

To appear in: *Social Science & Medicine*

Received Date: 30 October 2015

Revised Date: 8 March 2016

Accepted Date: 11 March 2016

Please cite this article as: Samari, G., Cross-border Ties and Arab American Mental Health, *Social Science & Medicine* (2016), doi: 10.1016/j.socscimed.2016.03.014.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
