**Acknowledgements:**

An earlier version of this paper was presented at the European Health Economics Association (EuHEA) PhD Student-supervisor and Early Career Researcher (ECR) conference, 1-3 September 2014, Manchester, UK. We would like to thank Rachael Hunter and session participants for their comments. We would like to thank participants at the Health Econometrics and Data Group seminars at the University of York, 4<sup>th</sup> June 2014, for feedback. This work is funded by a Centre for Health Economics (University of York) PhD Studentship held by Valerie Moran. We are also grateful to two anonymous referees for very helpful comments. Under a Data Sharing Agreement with the Health and Social Care Information Centre (HSCIC) the MHMDS dataset is released on condition
