Reference: YSSRE 2098

To appear in: *Social Science Research*

Received Date: 31 May 2017

Revised Date: 13 October 2017

Accepted Date: 17 October 2017

Please cite this article as: Khoudja, Y., Platt, L., Labour market entries and exits of women from different origin countries in the UK, *Social Science Research* (2017), doi: 10.1016/j.ssresearch.2017.10.003.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Labour market entries and exits of women from different origin countries in the

UK

Yassine Khoudja (Utrecht University)

Lucinda Platt (London School of Economics and Political Science)

#### Acknowledgements

We are grateful for comments on the paper from participants at the following conferences: RC28, Tilburg May 2015; Understanding Society Scientific Conference, University of Essex July 2015; ESA, Prague August 2015 and ECSR, Tallinn September 2015; from participants of the Winterschool “Differences matter” in Trento February 2015; the Work-Family seminar in Utrecht April 2015; the ICS Master Class May 2015; and from those at invited seminars at Carlos III, Madrid May 2016. We are also thankful for the comments of Fenella Fleischmann and Thomas de Vroome on an earlier version of this paper.

#### Funding

This research benefited from the support of the Netherlands Organization for Scientific Research (NWO) research talent grant titled “Explaining ethnic minority women’s labour market participation: the role of household composition, gender ideology, religiosity and the welfare state” (grant number 406-12-020).
