This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

We analyze whether political friendship affects GSP eligibility investigations and their outcome.

Political alignment of the recipient does not affect the likelihood of investigation.

Politically aligned recipients are significantly less likely to have their benefits suspended.
