To appear in: *International Review of Law and Economics*

Received date: 23-11-2017
Revised date: 4-3-2018
Accepted date: 9-3-2018

Please cite this article as: Anand, Anita., & Green, Andrew., Securities Settlements as Examples of Crisis-Driven Regulation. *International Review of Law and Economics* <https://doi.org/10.1016/j.irl.2018.03.001>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Securities Settlements as Examples of Crisis-Driven Regulation

Anita Anand and Andrew Green

Faculty of Law, University of Toronto*

* Professors of the Faculty of Law, University of Toronto. Emails: anita.anand@utoronto.ca and a.green@utoronto.ca. We thank Matthew Alexander, Andrew Mihalik, Dov Kagan, Chris Puskas, Tegan Valentine, and Alvin Yau for excellent research assistance in the collection of data and Albert Yoon, David Green and the participants of the 2016 conference of the Canadian Law and Economics Association, the Oxford Law and Finance seminar, the Université of Montreal Faculté de Droit, and the University of Toronto Roundtable on Enforcement for valuable comments. We thank the Law Foundation of Ontario for funding research underlying this project.
