This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Katarzyna Romaniuk

Central Bank of Ireland, INSA, Insurance Analytics, New Wapping Street, North Wall Quay, Dublin 1, Ireland. E-mail: Katarzyna.Romaniuk@centralbank.ie.

Views expressed are those of the author and do not necessarily represent the views of the Central Bank of Ireland or the ESCB. I wish to thank Narjess Boubakri (the Editor) and an anonymous referee. I am grateful to Gauthier Lanot, Elod Takats and the participants in the 2010 EEA Congress in Glasgow for helpful comments. All remaining errors are mine.
