This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

The connections between design and scenario planning practice and theory are underdeveloped.

The Forum cultivated inter-personal and cross-disciplinary learning, insight, and experimentation.

Design and scenario planning place different value on ambiguity, provocation and materiality.

Use of play, performance, artefacts and narrative are evidence of inventiveness in both fields.
