

Accepted Manuscript

Biased and inadequate citation of prior research in reports of cardiovascular trials is a continuing source of waste in research

Veronica I. Sawin, Karen A. Robinson

PII: S0895-4356(15)00304-2

DOI: [10.1016/j.jclinepi.2015.03.026](https://doi.org/10.1016/j.jclinepi.2015.03.026)

Reference: JCE 8912

To appear in: *Journal of Clinical Epidemiology*

Received Date: 16 March 2015

Accepted Date: 19 March 2015

Please cite this article as: Sawin VI, Robinson KA, Biased and inadequate citation of prior research in reports of cardiovascular trials is a continuing source of waste in research, *Journal of Clinical Epidemiology* (2015), doi: 10.1016/j.jclinepi.2015.03.026.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Biased and inadequate citation of prior research in reports of cardiovascular trials is a continuing source of waste in research
