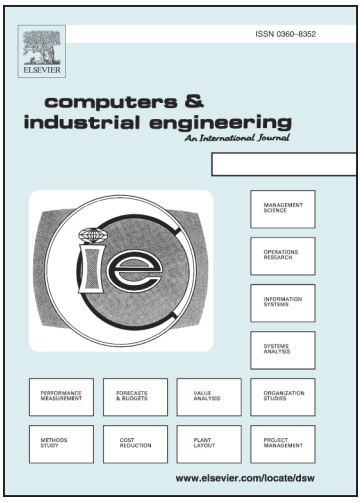
Accepted Manuscript



A Hybrid Cuckoo Search Algorithm in Parallel Batch Processing Machines with Unequal Job Ready Times

Arindam Majumder, Dipak Laha, P.N. Suganthan

PII: S0360-8352(18)30316-4
DOI: https://doi.org/10.1016/j.cie.2018.07.001
Reference: CAIE 5301

To appear in: *Computers & Industrial Engineering*

Received Date: 13 January 2018
Revised Date: 20 June 2018
Accepted Date: 1 July 2018

Please cite this article as: Majumder, A., Laha, D., Suganthan, P.N., A Hybrid Cuckoo Search Algorithm in Parallel Batch Processing Machines with Unequal Job Ready Times, *Computers & Industrial Engineering* (2018), doi: https://doi.org/10.1016/j.cie.2018.07.001

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
