Riboflavin-induced Oxidation in Fish Oil-in-Water Emulsions: Impact of Particle Size and Optical Transparency

Sibel Uluata, D. Julian McClements, Eric A. Decker

PII: S0308-8146(16)31005-6

DOI: <http://dx.doi.org/10.1016/j.foodchem.2016.06.103>

Reference: FOCH 19444

To appear in: *Food Chemistry*

Received Date: 28 March 2016

Revised Date: 21 June 2016

Accepted Date: 29 June 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
