

## Accepted Manuscript

Physicochemical properties of whole fruit plum powders obtained using different drying technologies

Anna Michalska, Aneta Wojdyło, Krzysztof Lech, Grzegorz Łysiak, Adam Figiel

PII: S0308-8146(16)30449-6  
DOI: <http://dx.doi.org/10.1016/j.foodchem.2016.03.075>  
Reference: FOCH 18959

To appear in: *Food Chemistry*

Received Date: 4 January 2016  
Revised Date: 20 March 2016  
Accepted Date: 22 March 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
