Title: Magnetic Mesoporous Molecularly Imprinted Polymers Based on Surface Precipitation Polymerization for Selective Enrichment of Triclosan and Triclocarban

Please cite this article as: Xuemei Wang, Pengfei Huang, Xiaomin Ma, Xinzhen Du, Xiaoquan Lu, Magnetic Mesoporous Molecularly Imprinted Polymers Based on Surface Precipitation Polymerization for Selective Enrichment of Triclosan and Triclocarban, Journal of Chromatography A https://doi.org/10.1016/j.chroma.2018.01.023

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
