

## Accepted Manuscript

Title: Application of rifampicin as a chiral selector for enantioresolution of basic drugs using capillary electrophoresis

Author: Shuchi Dixit Jung Hag Park

PII: S0021-9673(16)30646-X  
DOI: <http://dx.doi.org/doi:10.1016/j.chroma.2016.05.055>  
Reference: CHROMA 357582

To appear in: *Journal of Chromatography A*

Received date: 21-3-2016  
Revised date: 13-5-2016  
Accepted date: 15-5-2016

Please cite this article as: Shuchi Dixit, Jung Hag Park, Application of rifampicin as a chiral selector for enantioresolution of basic drugs using capillary electrophoresis, *Journal of Chromatography A* <http://dx.doi.org/10.1016/j.chroma.2016.05.055>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Application of rifampicin as a chiral selector for enantioresolution of basic drugs using capillary electrophoresis**
