

Accepted Manuscript

Title: FoodSwitch and use of crowdsourcing to inform nutrient databases

Authors: E. Dunford, B. Neal

PII: S0889-1575(17)30176-X
DOI: <http://dx.doi.org/doi:10.1016/j.jfca.2017.07.022>
Reference: YJFCA 2939

To appear in:

Received date: 19-9-2016
Revised date: 13-1-2017
Accepted date: 7-7-2017

Please cite this article as: Dunford, E., & Neal, B., FoodSwitch and use of crowdsourcing to inform nutrient databases. *Journal of Food Composition and Analysis* <http://dx.doi.org/10.1016/j.jfca.2017.07.022>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
