

Accepted Manuscript

Title: A stability-study of expired ampoules manufactured more than 40 years ago

Authors: Markus Zilker, Fritz Sörgel, Ulrike Holzgrabe

PII: S0731-7085(17)32634-1
DOI: <https://doi.org/10.1016/j.jpba.2017.12.019>
Reference: PBA 11672

To appear in: *Journal of Pharmaceutical and Biomedical Analysis*

Received date: 20-10-2017
Revised date: 7-12-2017
Accepted date: 8-12-2017

Please cite this article as: Markus Zilker, Fritz Sörgel, Ulrike Holzgrabe, A stability-study of expired ampoules manufactured more than 40 years ago, *Journal of Pharmaceutical and Biomedical Analysis* <https://doi.org/10.1016/j.jpba.2017.12.019>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

A stability-study of expired ampoules manufactured more than 40 years ago
