Accepted Manuscript

Developments and Interlaboratory Study of the Analysis of Short-Chain Chlorinated Paraffins

L.M. van Mourik, I. van der Veen, S. Crum, J. de Boer

PII: S0165-9936(17)30330-8

DOI: 10.1016/j.trac.2018.01.004

Reference: TRAC 15088

To appear in: Trends in Analytical Chemistry

Received Date: 30 August 2017

Revised Date: 5 January 2018

Accepted Date: 19 January 2018

Please cite this article as: L.M. van Mourik, I. van der Veen, S. Crum, J. de Boer, Developments and Interlaboratory Study of the Analysis of Short-Chain Chlorinated Paraffins, *Trends in Analytical Chemistry* (2018), doi: 10.1016/j.trac.2018.01.004.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
