

Accepted Manuscript

Title: Prediction of swelling behavior of crosslinked maize starch suspensions

Authors: Gnana Prasuna Desam, Jinsha Li, Guibing Chen, Osvaldo Campanella, Ganesan Narsimhan

PII: S0144-8617(18)30811-7
DOI: <https://doi.org/10.1016/j.carbpol.2018.07.020>
Reference: CARP 13820

To appear in:

Received date: 5-3-2018
Revised date: 3-7-2018
Accepted date: 8-7-2018

Please cite this article as: Desam GP, Li J, Chen G, Campanella O, Narsimhan G, Prediction of swelling behavior of crosslinked maize starch suspensions, *Carbohydrate Polymers* (2018), <https://doi.org/10.1016/j.carbpol.2018.07.020>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Prediction of swelling behavior of crosslinked maize starch suspensions
