Accepted Manuscript

Title: Poly(lactic acid) mass transfer properties

Authors: Uruchaya Sonchaeng, Fabiola Iñiguez-Franco, Rafael Auras, Susan Selke, Maria Rubino, Loong -Tak Lim

PII: S0079-6700(17)30245-9

DOI: https://doi.org/10.1016/j.progpolymsci.2018.06.008

Reference: JPPS 1088

To appear in: Progress in Polymer Science

 Received date:
 29-11-2017

 Revised date:
 17-6-2018

 Accepted date:
 26-6-2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
