

Accepted Manuscript

An estimation of the effect of mono/poly-hydroxy organic compounds on the interaction of tetradecyltrimethylammonium bromide with levofloxacin hemihydrate antibiotic drug

Ruhul Amin, Shamim Mahbub, Syed Hidayathulla, Masud Alam, Anamul Hoque, Malik Abdul Rub

PII: S0167-7322(18)33230-6
DOI: doi:[10.1016/j.molliq.2018.08.043](https://doi.org/10.1016/j.molliq.2018.08.043)
Reference: MOLLIQ 9488
To appear in: *Journal of Molecular Liquids*
Received date: 25 June 2018
Revised date: 1 August 2018
Accepted date: 7 August 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

An estimation of the effect of mono/poly-hydroxy organic compounds on the interaction of tetradecyltrimethylammonium bromide with levofloxacin hemihydrate antibiotic drug
