Novel approach for calculating the charge carrier mobility and Hall factor for semiconductor materials

G.V. Colibaba

PII: S0022-3697(17)30926-5

DOI: [10.1016/j.jpcs.2018.02.013](https://doi.org/10.1016/j.jpcs.2018.02.013)

Reference: PCS 8427

To appear in: *Journal of Physics and Chemistry of Solids*

Received Date: 26 May 2017

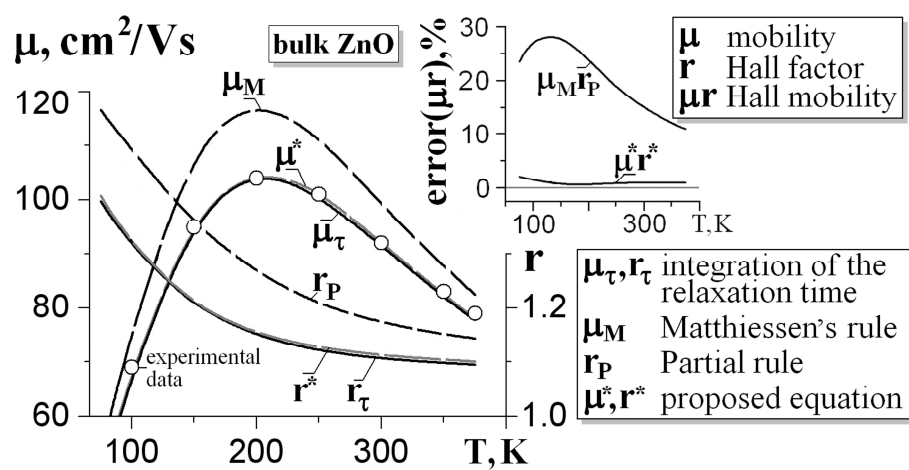

Revised Date: 6 February 2018

Accepted Date: 7 February 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
