

Author's Accepted Manuscript

Cold Atmospheric Pressure Plasma Jet for the Treatment of *Aspergillus* Keratitis

Hamed Nikmaram, Mozhgan Rezaei Kanavi, Mahmood Ghoranneviss, Sahar Balagholi, Hamid Ahmadiéh, Danial Roshandel, Maryam Amini

PII: S2212-8166(17)30001-X
DOI: <https://doi.org/10.1016/j.cpme.2017.12.075>
Reference: CPME67

To appear in: *Clinical Plasma Medicine*

Received date: 2 January 2017
Revised date: 12 December 2017
Accepted date: 12 December 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Cold Atmospheric Pressure Plasma Jet for the Treatment of *Aspergillus* Keratitis
