Technical and economic assessment of the pyrolysis and gasification integrated process for biomass conversion

Karittha Im-orb, Wisitsree Wiyaratn, Amornchai Arpornwichanop

PII: S0360-5442(18)30655-8

DOI: [10.1016/j.energy.2018.04.049](https://doi.org/10.1016/j.energy.2018.04.049)

Reference: EGY 12688

To appear in: *Energy*

Received Date: 2 February 2018

Revised Date: 9 April 2018

Accepted Date: 10 April 2018

Please cite this article as: Im-orb K, Wiyaratn W, Arpornwichanop A, Technical and economic assessment of the pyrolysis and gasification integrated process for biomass conversion, *Energy* (2018), doi: 10.1016/j.energy.2018.04.049.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Submitted to Energy

Type of contribution: Full-length article (revised manuscript)

**Technical and economic assessment of the pyrolysis and gasification integrated process
for biomass conversion**
