Characterizing the Great Lakes Marine Renewable Energy Resources: Lake Michigan Surge and Wave Characteristics

Deniz Velioglu Sogut, Ali Farhadzadeh, Robert E. Jensen

PII: S0360-5442(18)30429-8
DOI: 10.1016/j.energy.2018.03.031
Reference: EGY 12489
To appear in: *Energy*
Received Date: 06 December 2017
Revised Date: 03 March 2018
Accepted Date: 05 March 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
