Using recycled asphalt pavement in construction of transportation infrastructure:  
Alaska experience

Sheng Zhao, Jenny Liu

PII: S0959-6526(17)33054-8

DOI: [10.1016/j.jclepro.2017.12.104](https://doi.org/10.1016/j.jclepro.2017.12.104)

Reference: JCLP 11499

To appear in: *Journal of Cleaner Production*

Received Date: 9 August 2017

Revised Date: 20 November 2017

Accepted Date: 12 December 2017

Please cite this article as: Zhao S, Liu J, Using recycled asphalt pavement in construction of transportation infrastructure: Alaska experience, *Journal of Cleaner Production* (2018), doi: 10.1016/j.jclepro.2017.12.104.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

## **Using Recycled Asphalt Pavement in Construction of Transportation Infrastructure: Alaska Experience**
