### Accepted Manuscript

Impact of pore compressibility and connectivity loss on shale permeability

Davud Davudov, Rouzbeh Ghanbarnezhad Moghanloo

PII: S0166-5162(17)31007-8

DOI: doi:10.1016/j.coal.2018.01.008

Reference: COGEL 2951

To appear in: International Journal of Coal Geology

Received date: 1 December 2017 Accepted date: 10 January 2018

The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Cogel(2017), doi:10.1016/j.coal.2018.01.008

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
