Improved recovery from fractured oil reservoirs

Joris van Santvoort, Michael Golombok

PII: S0920-4105(18)30307-3

DOI: [10.1016/j.petrol.2018.04.002](https://doi.org/10.1016/j.petrol.2018.04.002)

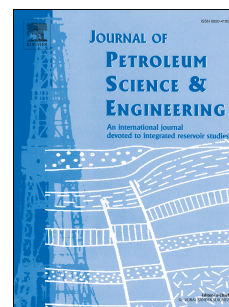

Reference: PETROL 4854

To appear in: *Journal of Petroleum Science and Engineering*

Received Date: 4 August 2017

Revised Date: 2 March 2018

Accepted Date: 2 April 2018

Please cite this article as: van Santvoort, J., Golombok, M., Improved recovery from fractured oil reservoirs, *Journal of Petroleum Science and Engineering* (2018), doi: 10.1016/j.petrol.2018.04.002.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Improved recovery from fractured oil reservoirs

Joris van Santvoort and Michael Golombok*

Faculty of Mechanical Engineering, Technische Universiteit Eindhoven, 5612 AZ Eindhoven,
The Netherlands
