*Short title:*

Heart exposure and radiation pneumonitis

*Keywords:*

Non-small cell lung cancer; Intensity-modulated radiation therapy; Volumetric-modulated arc therapy; radiation pneumonitis; cardiac exposure.

*Conflict of interest statement:*

Dr. Van der Heijden reports grants from AstraZeneca Oncology and Ankie Hak Foundation, personal fees from MSD oncology and Medi-Globe medical, and other from Pentax Medical and Pfizer oncology, all outside the scope of this submitted research. All other authors have no conflicts of interest.

*Funding:*

This research did not receive any specific grant from funding agencies in the public, commercial, or not-for-profit sectors.
